

Demolition: Tax Evaluation Request

Dear Property Owner:

You have applied for a demolition permit to remove a structure(s) from your property. Once the structure is removed and inspected, you may be eligible for a reduction in the assessed value of your property.

To request a tax evaluation, please complete this form and return to the Municipality of Middlesex Centre for processing. We will send the form to the Municipal Property Assessment Corporation (MPAC) to determine the assessed value of the removed structure. If your property is eligible for a reduction in the assessment, MPAC will inform us, and we will process the adjustment and credit your account for any applicable reduction in taxes. We will notify you of any change in the assessed value.

NOTE: The Municipality of Middlesex Centre must receive this form and any supporting documents no later than February 28 of the year following the taxation year to which your application relates.
