2023-2025 Strategic Plan

# Strategic Priorities

## People:

Empowering a healthy and resilient workforce

## Work:

Enhancing investigative and operational excellence

## Communities:

Building relationships for co-creating safety solutions

# OPP Service Delivery

## Integrated Service Delivery

- Detachments provide policing services to municipalities while continuing to meet Provincial policing commitments
- All officer activity is tracked using the Daily Activity Reporting (DAR) system to ensure accurate municipal billing

## Benefits for Municipalities

- Enhanced flexibility
- Economies of scale – share costs of supervisory, administrative and infrastructure
- Multi-jurisdictional policing strategies
- Engage and partner with agencies outside municipal boundaries

# Year End Adjustments

- Overtime, salary and benefits rates, court security, prisoner transportation and additional services costs are estimated in the Annual Billing Statements issued annually by October 1st for the following year.
- The 2025 salaries were determined based on the rates set in the 2023 to 2026 OPPA Uniform and Civilian Collective Agreements. No reconciliation of salary rates will be required, however there will be a reconciliation of the new front line and 2 IC premiums.
- Adjustments for costs that are reconciled after the year of service is complete, will be included as a prior-year adjustment in the next Annual Billing Statement issued. For example:
  - 2024 Annual Billing Statements included the reconciled costs for 2022 and were issued in September 2023.
  - 2025 Annual Billing Statements included the reconciled costs for 2023 and were issued in October 2024.
  - Refer to second last page of billing statement for Reconciled Year-End Summary

# Community Safety and Policing Act

## Notable Changes for First Nations include:

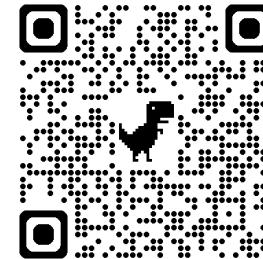

- First Nation Police Service Boards:** First Nation communities may request a board under Section 32 to oversee adequate and effective policing that meets provincially legislated standards.
- Voluntary Community Safety and Well-Being Plans:** First Nations can choose to create or join Community Safety and Well-Being Plans (Sections 38 and 39) that align with diverse and unique needs.
- First Nation Officers:** Section 101 addresses the appointment of First Nation Officers to support culturally responsive policing.
- Public Complaints Process (Optional):** First Nations police services can opt into the Law Enforcement Complaints Agency (LECA) process for greater accountability.

## Inspector General of Policing Memorandum

**TO:** All Chiefs of Police and  
Commissioner Thomas Carrique, C.O.M.  
Chairs, Police Service Boards

**FROM:** Ryan Teschner, Inspector General of Policing of Ontario

**DATE:** December 15, 2025

**SUBJECT:** Inspector General Memo #8: Public release of the first Decisions by  
the Inspector General of Policing with accompanying Findings  
Reports

---

I write to inform you of an important development in the work of the Inspectorate of Policing (IoP). On Wednesday, December 17, the IoP will begin publicly releasing my **Inspector General Decisions with accompanying Findings Reports**. These Decisions and Findings Reports flow from the IoP's investigations into public complaints submitted to us under the *Community Safety and Policing Act (CSPA)*. Publishing them is in keeping with our commitment to transparency, accountability and continuous improvement.

### ***Two types of IG Decisions***

Under the CSPA, the Inspector General is required to make Decisions and Findings Reports publicly available. These Decisions result from investigations into **Section 106 matters**, which address the conduct of police service board members, and **Section 107 matters**, which examine whether policing services are adequate and effective, comply with the law, and follow policies or procedures set by boards, the Minister, or Chiefs of Police.

Each investigation—whether into board member conduct under section 106 or service delivery under section 107—concludes with a **Findings Report** that sets out the evidence and analysis gathered by the IoP. Based on this report, the Inspector General issues a **Decision** confirming whether or not provincial policing laws and standards have been met. If a board member is found to have committed misconduct, the Inspector General can issue a formal reprimand, suspend the board member and remove the board member from their position. If a police service is found to be in non-compliance with Ontario's policing laws and standards, the Inspector General may issue **Directions** to address the gaps, and if those directions are not followed will **Measures** be imposed to ensure compliance.

Without reference to specific organizations or cases, early Decisions underscore sector-wide compliance requirements and expectations: boards must discharge governance mandates while not directing specific operations, and exercise caution in public communications; services should demonstrate risk-based response and strong dispatch/communication standards; the interpretation of specific requirements for the deployment of specialized equipment; and, professionalism in public engagement is essential.

### ***Importance of an organizational process for Decision review and application***

Moving forward, these Decisions and Findings Reports **will be posted regularly** as batches of complaint investigations are completed. As these Decisions are legally binding and will serve as precedent for future matters, **I strongly encourage each police service and board to build in a process to ensure these Decisions are reviewed and, where necessary, integrated into your operations** to avoid future compliance concerns and to improve overall performance. My goal is to support a culture where accountability and excellence go hand in hand.

I want to reiterate what I have consistently emphasized during our engagements with you over the past two years: this next step in the IoP's work is aimed at providing the policing sector with meaningful opportunities to learn from practical examples and to collectively strengthen performance standards. By sharing these Decisions openly, **we aim to provide clarity on how standards are applied, highlight areas of strength, and identify opportunities for improvement in the sector**. This transparency benefits everyone—police services, boards, and the communities we serve—by reinforcing trust and demonstrating that oversight is fair, evidence-based, and focused on strengthening police sector performance across Ontario.

### ***Staying up to date on Decisions and contacting your Advisor***

If you have any questions about how these Decisions can be used to support your work, please do not hesitate to contact your Policing Services Liaison Advisor. To stay informed about new Decisions and Findings Reports as they are published, we encourage you to **subscribe to IoP news updates through our website: [www.iopontario.ca](http://www.iopontario.ca)**.

Thank you for your continued partnership in building a policing system that is transparent, accountable, and responsive to the needs of Ontarians.

Sincerely,

*Ryan Teschner*

To Mayors and Chairs of Police Service Boards in Strong Mayor Power Municipalities,

We are writing to provide information on the powers and roles of municipalities, mayors, and police service boards in establishing a police service board budget, particularly in municipalities with Strong Mayor Powers.

In a strong mayor municipality, the Head of Council has the responsibility to prepare and propose the municipal budget on or before February 1 of each year, which would be subject to a council amendment, head of council veto and council override process.

This municipal budget includes estimates of amounts required during the year, including any amounts required for boards, such as the police service boards budget established in accordance with the *Community Safety and Policing Act, 2019* (CSPA). **The Head of Council's strong mayor budget powers do not include the power to limit police service board budget increases or veto estimates submitted by police service boards.**

The CSPA provides the purposes for which the funding is to be provided to a police service board, establishes a process for submitting budget estimates, municipal approval of such a budget, and the mechanisms available to address disagreements.

Under section 50 of the CSPA, a police service board must submit their operating and capital estimates to the municipality, which is then responsible for establishing an overall budget for the police service board. **Although municipalities are not required to adopt the board's estimates as submitted, they cannot approve or reject specific line items within the estimates.** Municipalities are required to provide police service boards with sufficient funding to comply with the CSPA and its regulations, as well as pay the expenses of the board's operation, excluding remuneration for board members.

There are dispute resolution mechanisms established under the CSPA to address situations in which a police service board is not satisfied that the budget is sufficient to permit the board to comply with the legislation and pay for the board's operation.

The CSPA provides two dispute resolution pathways: the board and municipality may jointly apply to the Commission Chair of the Ontario Police Arbitration and Adjudication Commission (OPAAC) to appoint a conciliation officer, or the board may give the municipality written notice referring the matter to arbitration.

In arbitration, a municipality can argue, among other things, that costs could be reduced if the board entered an agreement to receive services from another police service. If the municipality can show that the board could reasonably have obtained policing services under an agreement (under section 14 of the CSPA, with another police service board or the Commissioner of the Ontario Provincial Police) at a lower cost while still meeting applicable standards, the arbitrator cannot deem the budget insufficient to the extent of the amount that could have been saved by entering into the agreement.

For example, if a police service board seeks funding for a \$15 million policing budget, and the municipality can demonstrate that equivalent services meeting all standards could have been provided through a budget at \$13 million, where some services are provided pursuant to an agreement with another police service, in this case, the arbitrator could not find the budget insufficient to the extent of the additional \$2 million.

Following arbitration, the municipality shall amend the board's budget to reflect the arbitrator's decision.

Thank you for your continued leadership and commitment to protecting our communities. Please consider this information as you work toward establishing police service budgets. If you or your administrative staff require additional information, please contact Nicole Rogers, Manager, Community Safety Policy Unit, Ministry of the Solicitor General, at [Nicole.Rogers@ontario.ca](mailto:Nicole.Rogers@ontario.ca) or Shira Babins, Manager, Financial Analysis and Reporting Unit, Ministry of Municipal Affairs and Housing, at [Shira.Babins@ontario.ca](mailto:Shira.Babins@ontario.ca).

Your work and dedication are important in advancing shared priorities and strengthening public safety to protect Ontario.

Sincerely,
