

Notice of Study Commencement and Public Information Centre 1

Transportation Master Plan

The Study

The Municipality of Middlesex Centre is developing its first **Transportation Master Plan (TMP)**. Transportation includes the movement of people and goods by all travel modes: car and truck, public transit, cycling, walking and more.

The TMP will:

- Guide decision-making relating to Middlesex Centre's transportation system over the next 25 years
- Align with and support the Municipality's Official Plan and other strategic plans and policies
- Support the Municipality's vision for the future transportation system, leading Middlesex Centre toward a more safe, accessible, and sustainable transportation network and services
- Support local travel and longer-distance connections for all travel modes, supporting community livability and strengthening local economic and tourism opportunities
- Inform long-range financial planning

This study is being conducted in accordance with the requirements of Phases 1 and 2 of the Municipal Class Environmental Assessment planning process for Master Plans, under the *Environmental Assessment Act*.

Virtual Public Information Centre 1

Joint information session and discussion together with the
Servicing Master Plan

January 11, 2023 – 6 to 8 p.m.

Please register at www.middlesexcentre.ca/events

Notice of the public information centre was first published on December 12, 2022.

We Want to Hear From You!

At this stage in the study, we need your help to identify issues, needs and opportunities relating to the Municipality's transportation system, as well as to help shape the TMP vision and goals. Please visit www.middlesexcentre.ca/tmp for information presented at the public information centre as well as a link to an online survey to complete by **February 10, 2023**.

If you have any comments or questions regarding the TMP study, please contact the following:
