Purpose and Effect of the Application

The Municipality is seeking input on a development application within 120 metres of your property.

The purpose of the zoning by-law amendment application is to rezone a lot and retained farm of a surplus farm residence severance from Surplus Residence (SR) and Agricultural – No Residences (A3), respectively, to the Agricultural (A1) zone. The owners intend to merge the two properties for the purposes of allowing horses on the farm, which would have a combined area of approximately 30.5 hectares (75.4 ac).

Additionally, the Owners are seeking a certificate of consent to cancel the original consent application to remerge the property previously severed.

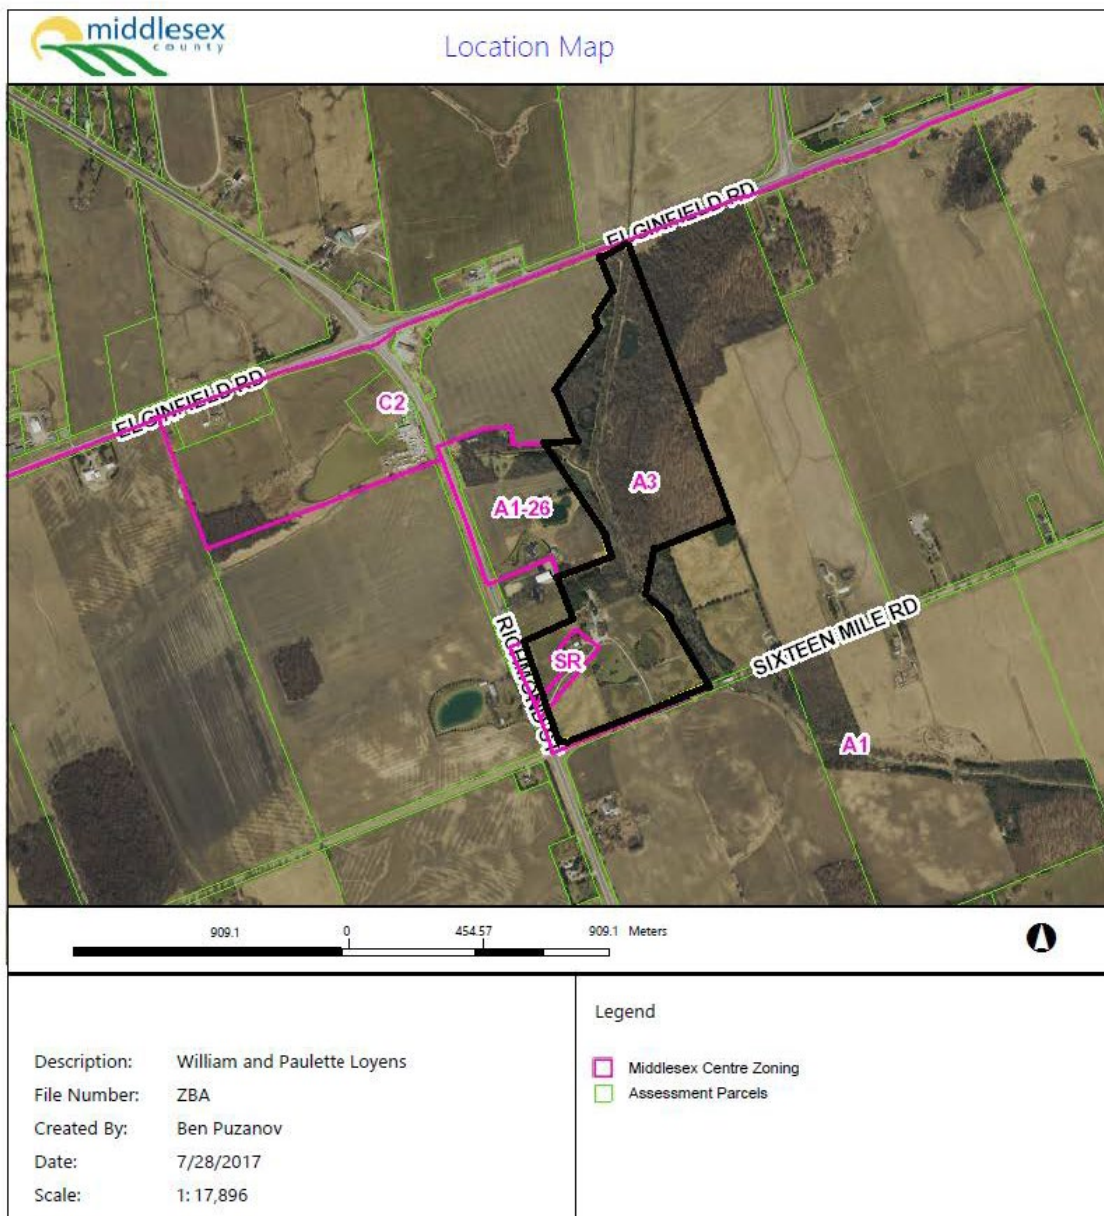

In accordance with Section 34(10.4) of the Planning Act, R.S.O. 1990, c. P.13, as amended, the Municipality of Middlesex Centre has deemed this application to be complete for the purposes of Section 34(10.1) and (10.2) of the Planning Act.
