Date: May 22, 2024

Purpose and Effect of the Consent Application:

The Municipality is seeking input on a development application that is located within 120 metres of your property. The purpose and effect of Consent Application B-04-2024 is to sever a surplus farm residence on a lot with a frontage of approximately 54 metres (177 feet) on Greystead Drive and an area of approximately 1 acres (0.4 hectares). The retained farmland would maintain a broken frontage of approximately 547 metres (1794.62 feet) on Greystead Drive, and an area of approximately 99.6 acres (40.3 ha). The applicant is proposing to maintain a single detached dwelling and associated services. The remnant parcel would be maintained as farmland in crop production and the owner intends to keep the existing barns as storage.

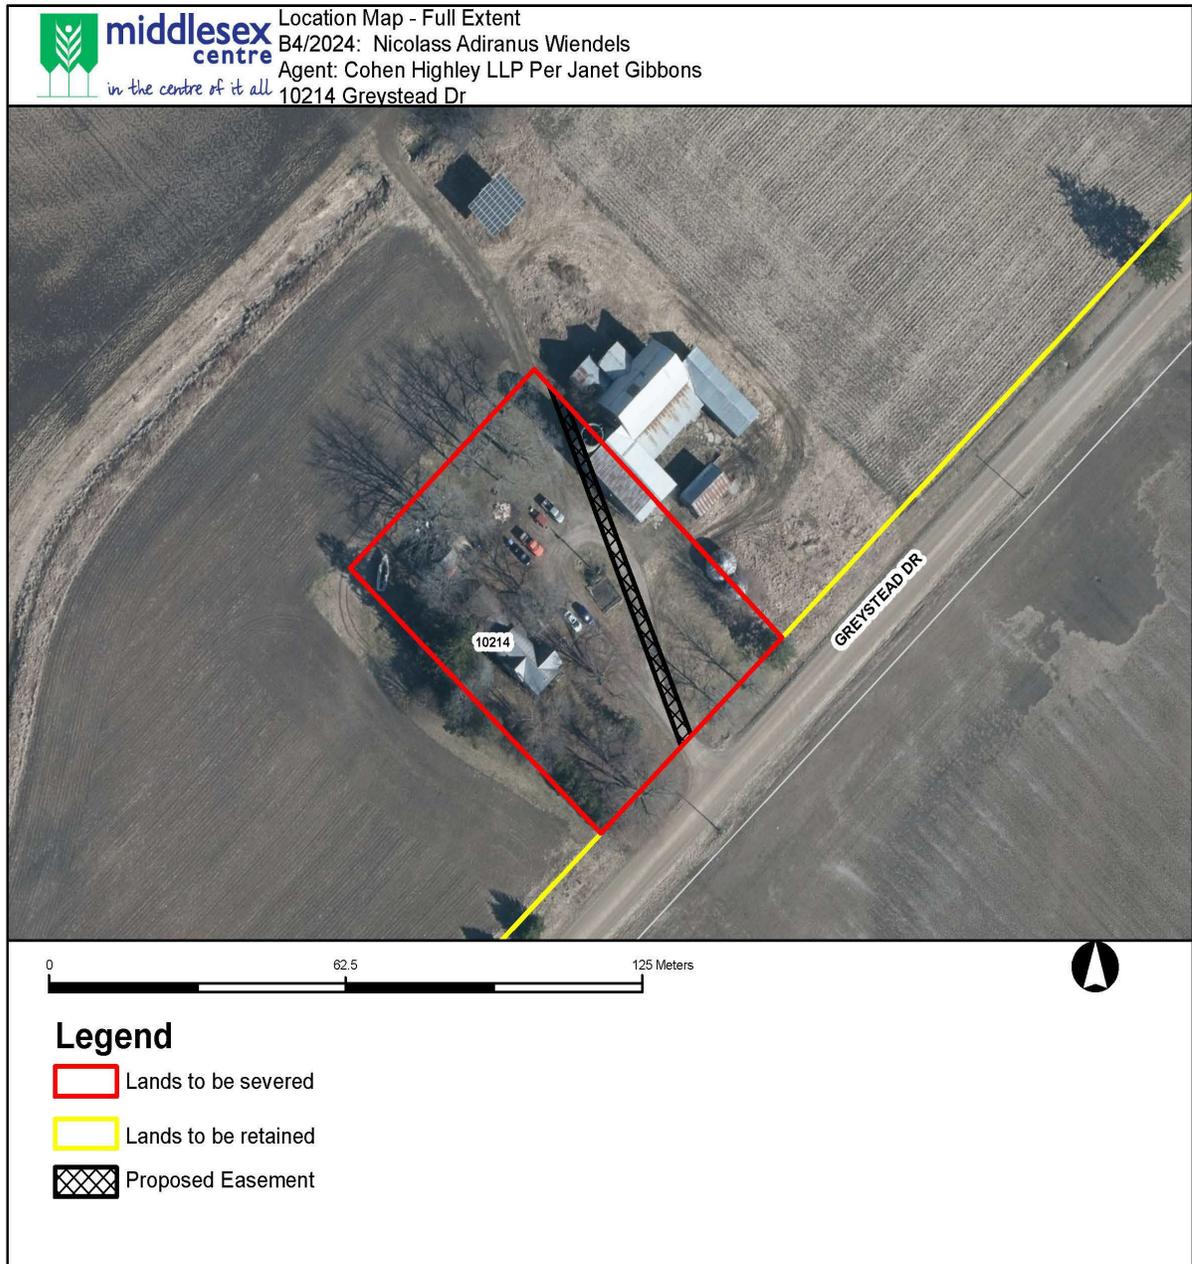

Additionally, consent application B-08-2024 seeks to establish a maintenance and access easement for an existing hydro line. The hydro line would be maintained on the severed lands while connecting to an existing solar panel on the retained lands. The effect would be to maintain access to maintenance and servicing if required.

The lands are designated Agricultural in Middlesex Centre's Official Plan and are zoned an

Agricultural (A1) Zone in Middlesex Centre's Comprehensive Zoning By-law.

Description and Location of Subject Land:

The subject property is located on the northwest side of Greystead Drive, south of the intersection at Coldstream Road and Greystead Drive. The land is legally described as Part of Lot 7, Concession 12 South, in the Municipality of Middlesex Centre, County of Middlesex, and is municipally known as 10214 Greystead Drive.
