**Schedule:** Tentative start date – July 8th, 2024  
 Estimated completion – August 31st, 2024

**Scope:** Milling or pulverizing the road surface and repaving, adjustments to maintenance holes, utility valves and catch basins.

**Contractor:** Dufferin Construction

### How will Construction Impact You?

**Street Access and Parking:** All roads will be open during construction only allowing local traffic to access their properties. Parking on the road during construction will be prohibited.

**Vibration – Protect Valuables:** Construction equipment can cause vibrations. Please ensure you protect any valuables susceptible to damage.

**Mail Services:** Canada Post will continue to deliver mail during construction. Canada Post will provide further notification and instructions for residents that may be impacted.

**Garbage and Recycling Collection:** If your pick-up point is temporarily blocked by construction, the Municipality will assist in collecting and transporting your garbage and recycling.

### **Contact Information**

If you have any questions about this project or questions once construction starts, please contact the undersigned. If there is a construction related emergency and there are no staff on-site to report it to, please contact the Municipal Office at (519) 666-0190.

If you have tenants, please notify them of this upcoming construction project.
