Purpose and Effect of the Application

The purpose and effect of Consent Application B-5-2025 is to establish a shared access and servicing easement between a proposed severed and retained parcel from consent application B-13-2023. As a condition of consent, the applicant is required to either establish and separate access and relocate the hydro line or seek to establish an easement through consent. The effect of the consent would be to maintain access and hydro to the retained farmland, through the proposed severed surplus dwelling lot.

The land is designated Agricultural in Middlesex Centre's Official Plan and zoned 'Agricultural (A1)' in Middlesex Centre's Comprehensive Zoning By-law. A portion of the lands are within the St Clair Region Conservation Authority Regulated Area.
