**Purpose and Effect of the Application**

The Municipality is seeking input on a development application within 60 metres of your property. The purpose and effect of the Application for Minor Variance is to seek relief from the Middlesex Centre Comprehensive Zoning By-law 2005-005 as it relates to an accessory structure in the rear yard. The applicant is proposing to reduce the minimum interior side yard setback for an accessory building to 0.44 metres (1.44 feet), whereas the zoning by-law requires a minimum interior side yard setback of 1.2 metres (3.94 feet) in the Urban Residential First Density – exception (UR1-28) Zone.

The effect of the minor variance would be to permit an accessory structure used to screen existing pool equipment.

## Proposal Summary
