

Notice of Public Meeting – Middlesex Centre Official Plan Review

Pursuant to Section 26 (3) (b) of the Planning Act, R.S.O. 1990

PUBLIC MEETING

Wednesday, January 28, 2026, at 5:00 p.m.
Middlesex Centre Office, 10227 Ilderton Rd., Coldstream

What is the purpose of this meeting?

This meeting will introduce the Official Plan Review project and provide an overview of themes, guiding principles, direction, and potential revisions. These revisions aim to align our Official Plan with new provincial policy direction as well as the County of Middlesex Official Plan. The meeting is also an opportunity for the public and stakeholders to share input on issues or themes that should be considered during the review.

What is an Official Plan?

The Official Plan is a key document that outlines the municipality's long-term vision for growth and development.

It includes population and housing forecasts, provides policy direction for how land should be used, identifies areas for development, as well as areas for agriculture and natural heritage.

Why are we reviewing the Official Plan now?

New policies in the Provincial Planning Statement came into effect on October 20, 2024, introducing significant changes to how municipalities must plan for growth and development. Although the Municipality completed an Official Plan Review in 2023 (currently before the Ontario Land Tribunal), we must now ensure our policies align with these new provincial requirements.
