Date: July 15th, 2026

Time: 3:30 p.m.

Place: Municipal Office – 10227 Ilderton Road, Ilderton ON N0M 2A0 (Coldstream). This will be an **in-person and virtual meeting** broadcasted on the Municipality's YouTube Channel. Details on how to view the meeting can be found on the Municipality's website at middlesexcentre.ca/councilmeetings

Planner: Marion-Frances Ramos Cabral, 519-930-1006 or by email mcabral@middlesex.ca

Purpose and Effect of the Consent Application

The purpose and effect of Consent Application B-11-2026 is to sever a surplus farm residence on a lot with a frontage of approximately 42 m (138 ft) on Ilderton Road, and an area of approximately 0.4 ha (1 ac). The remnant farm parcel would maintain a frontage of approximately 557 m (1, 827 ft) on Ilderton Road, and have an area of 35.7 ha (88.2 ac). The effect of the consent would be to dispose of a residence deemed surplus to a farm operation due to a consolidation.

The purpose and effect of Consent Application B-12-2026 is to create an access and maintenance easement for a geothermal system. This proposal is associated with Surplus Farm Dwelling Consent noted above as the property owner is unable to relocate the geothermal drain pipe to service the residence. The easement is approximately 56 m long and approximately 6 m wide along the path of the drain pipe.

The purpose and effect of the Zoning By-law Amendment Application ZBA-11-2026 is to rezone the proposed severed lot from 'Agricultural (A1)' to 'Surplus Residence (SR)' to recognize the existing residential use, and rezone the retained farm parcel from 'Agricultural (A1)' to 'Agricultural – No Residences (A3)' to prevent new dwellings from being constructed on the farmland.

The applicant is proposing to maintain a dwelling and private servicing on the severed lot. The remnant parcel would be maintained as farmland in crop production.
