Purpose and Effect of the Application

The purpose of the application is to seek relief from the Municipality of Middlesex Centre Zoning Bylaw 2005-005 with respect to increasing the maximum permitted size for an accessory building in the Agricultural (A1) Zone. The applicant is seeking a maximum size for all accessory buildings of 252.75 square metres (2721 square feet), whereas the by-law permits a maximum size of the lesser of 3 percent lot coverage or 120 square metres (1,292 square feet). The applicant is also seeking permission to use a portion of the accessory building as a home occupation, whereas the by-law does not permit home occupations within accessory structures. The effect of the variance would be to permit the construction of an additional accessory structure on the subject lands.
